 - #include "part-3/importing-exporting-project-data-models.md"
 - #include "part-3/conversion-projects-from-previous-version.md"

Working with MoBi®

- MoBi® Documentation
 - #include "part-4/first-steps.md"
 - #include "part-4/building-block-concepts.md"
 - #include "part-4/model-building-components.md"
 - #include "part-4/setting-up-simulation.md"
 - #include "part-4/simulation-results.md"
 - #include "part-4/diagrams-overview.md"

- #include "part-4/tools.md"
- #include "part-4/reuse-of-project-information-from-previous-versions.md"

Shared Tools and Example Workflows

```
* #include "part-5/features-of-tables.md"

* #include "part-5/chart-component.md"

* #include "part-5/comparison-building-blocks.md"

* #include "part-5/parameter-identification.md"

* #include "part-5/sensitivity-analysis.md"

* #include "part-5/import-edit-observed-data.md"

* #include "part-5/default-display-base-units.md"

* #include "part-5/reporting.md"

* #include "part-5/working-journal.md"

* #include "part-5/history-manager-history-reporting.md"

* #include "part-5/setting-up-reaction-network.md"

* #include "part-5/setting-drug-drug-interaction-pk-sim.md"
```

Working with Matlab® and R

```
* #include "part-6/matlab-introduction.md"

* #include "part-6/r-introduction.md"
```

Appendix

```
* #include "appendix.md"
```
